SEND TO PHONE

**When:** Friday, January 11, 6:00PM to 7:00PM

End your week with a cocktail hour at the Ritz-Carlton Pentagon City in the company of local technical communicators as well as our special guests, the international STC Board of Directors (listed [here](#)) who will be in our area for a board meeting. This is a great opportunity to get to know STC leaders from around the world. Through casual conversation, learn about important issues facing STC and the technical communication profession, air your thoughts on those issues, or just relax with friends.

Light appetizers will be served and there will be a cash bar. Join other attendees for an optional dinner after the event at a nearby restaurant (costs on your own).

Tech Pubs and Tech Art entries having earned the Distinguished Technical Communication award in this year's chapter competitions will be on display. Come get a sneak peak at these entries before the competition awards celebration on February 9 (for more information about this event, see the [chapter events calendar](#)).

Event is FREE for chapter members and \$10 for others. If the latter applies to you, please bring a check payable to STC WDC to the event.
